

MAIN FEATURES

A cutting-edge cooling innovation that delivers an instant refreshing feel the moment you lie down. Designed to pull heat away and promote airflow, it helps maintain a fresh and breathable surface throughout the night. By keeping your sleep environment cool and dry, CoolTech lets you sleep deeper and waking up feeling fully refreshed.

7-ZONE POCKET SPRING

SIDE SLEEPER

BACK SLEEPER

The 7-Zone Pocket Spring flawlessly follows your body contour and ensure optimal spinal alignment. The extra lumbar zone support provides additional body protection, making it ideal for back and side sleepers, or a mix of both. The springs retain your spine in its natural posture, offering consistent comfort and healthy sleep throughout the night.
