Serta® USA

Always Comfortable™

HOSPITALITY
DIVISION

PROVIDING YOUR GUESTS THE WORLD CLASS COMFORT

Decades of experience as premium hospitality provider made Serta® recognize everything that matters to serve your respectable guest with ultimate comfort.

Serta® is the number one mattress brand in the USA, well-known in providing comfortable and rejuvenating mattresses. Throughout the world, Serta® plants bring a unique combination of local ownership and service, along with the industry's most popular hospitality mattresses. According to Furniture Today, Serta® is the biggest USA bedding brand after being the top selling mattress brand for seven years in a row.

Major popular hotels around the world put their trust in Serta® for their establishments. Some of the most prestigious hotels have chosen Serta® above any other mattress brands simply for its comfort, durability and value. Endorsed by hotel chains around the world, Serta® is proud to be the Global Alliance Partner, the Preferred Vendor, the Exclusive Vendor, and the Brand Standard. A mattress does matters.

SERTA® VIRO SAFE™

The Serta® ViroSafe™ is a technology specifically designed to protect your mattress by using a special treatment that gives the fabric ability to reduce any viral and bacterial activities up to 99%. Serta® ViroSafe™ keeps your mattress hygienic, virus-free and creates a safer and cleaner environment for you to sleep on.

MOLD AND STAIN REPELLENT

All fabrics used in Serta® mattresses can be additionally treated to be effective against fungus and bacteria, preventing molds, dust mites and bed bugs. The fabrics can also be treated to be capable of resisting oil based stained as well as water based stains.

FIRE RETARDANT

The British Standard 7177 (2008) specifies requirement for the resistance to ignition of mattresses, divans and bed bases when tested in accordance with BS EN 579-1 (1995).

All standards fabrics comply with low hazard, source 0 (= BS EN 597-1:1995, ignition source, smoldering cigarette) and source 1 (= BS EN 597-2:1995, ignition source, match flame equivalent) standards.

Serta FIREBLOCKER®
EXCEEDS FEDERAL & STATE FLAMMABILITY STANDARDS
helping keep families safe

FIREBLOCKER™ (Optional)

Serta® is the first bedding brand to introduce an open-flame resistant system. It's the most significant product safety feature in mattress history. A precise blend of natural and synthetic fibers in the surface layers of the mattress and box spring where it matters most. FireBlocker™ materials are integrated into our knitted fabric to maintain, and even enhance, sleeping comfort.

ADDITIONAL FEATURES

Hollywood Twin System

The Hollywood Twin System is the smart solution to turn any twin rooms into a King room. The idea is to conjoint 2 twin mattresses into one King size mattress, accommodating more room demands in your establishment. A breakthrough in the industry, the Hollywood Twin System is the answer to your room management.

The Hollywood Twin System is dividedly available in 3 clever ways:

Zipper Hollywood

Running out of your King rooms would not be a problem anymore with Zipper Hollywood well-attached on your twin mattresses. The Zipper Hollywood is a top notch feature to fully conjoint two of your twin mattresses, to become a full size 200cm King mattress. Turn your Twin rooms into a King room whenever needed with the Zipper Hollywood on the Twin mattresses. This feature is available and applicable in all new mattress models.

Fitted Pillow Top

The Fitted Pillow Top is an extra cover to wrap two single mattresses together, turning them into one full King size mattress. This system seamlessly integrates your twin bedroom into a King-sized bedroom. The Pillow Top on the top cover also gives extra comfort to your mattresses, providing your guests with additional comfort. The Fitted Pillow Top is available and applicable to any of your existing mattresses.

Mattress Joiner

Easily merge any single mattresses into one double mattress with Mattress Joiner. The smart belt goes around the two mattresses, holding them together to construct one King size mattress. The middle soft and comfortable cover will entirely conceal the joined part of the mattress, making them feel like one whole King size mattress. Available and applicable to any mattresses you have, the Mattress Joiner is the perfect solution for your establishment's room problems.

Mattress Foot Option

Option A
Height 13 cm

Option B
Height 10 cm

Option C
Height 6 cm

Foundation Cover Material Option

Option A
Fabric Cover

Option B
Oscar Cover (Available in several color)

Easy Lifting

Each of the mattresses is well equipped with the Easy Lifting feature, a knitted handle attached to the mattress to easily lift them up. The Easy Lifting feature will accommodate the housekeeping team in cleaning and maintaining each mattress. The handle would also come in handy when moving around the mattress is necessary.

Easy Grip

The Easy Grip comes easy on your foundation, providing the freedom of moving it around as needed. It is a solid handle right on the bottom of the foundation, to completely assist your housekeeping team in cleaning and maintaining every mattress. Preventing slips and tightening grips during cleaning and moving, Easy Grip is the perfect companion for your foundation.

EXTRA BED

Designed with selected comfort and support features, Serta® extra bed is adaptable, moveable and room efficient, providing additional sleeping space. Made of one single metal pipe with no welding, making it more durable.

METAL EXTRA BED

WOODEN EXTRA BED

Tailor-made measurements are available upon request
