

5-ZONE POCKET SPRING

The 5-Zone Pocket Spring technology provides excellent support and comfort while conforming to your body's natural curves. It reduces pressure points and minimizes motion transfer, resulting in a refreshing sleep experience. Say goodbye to restless nights and welcome the comfort of 5-Zone Pocket Spring into your life.

CoolTech™ is the latest cooling technology that provides you with instant cooling sensation the moment you lie down on the mattress. The unique heat management and distribution system adjusts to the surrounding temperature, resulting in faster and cooler sleeping surface. CoolTech™ is the perfect solution for those seeking a comfortable and restful sleep, all night long.
